# About Us

Revitalized Reintegration Services is a non-profit organization based in Durham Region that provides support programs and services to those navigating the criminal justice system across Ontario. We work with:

- Inmates that are currently incarcerated
- Those who have been incarcerated and are now on release (i.e., releasees, parolees)
- Those who have received non-imprisonment sentences (i.e., probation)
- Victims and survivors of crime
- Those who have lost someone due to criminal activity.

# About Us

We understand that the criminal justice system is challenging for many individuals to maneuver, especially when trying to cope with life-changing circumstances. The overarching vision for Revitalized Reintegration Services is quite simple: to build positive and healthy communities for all. Leading with faith, awareness, and empathy, we aim to foster restoration and healing, while rebuilding healthy communities.

We aim to accomplish this mission by working towards goals that focus on supporting growth and development of individuals and communities.
